RHONDA M. LANGFORD
 DEPUTY CHIEF

MEMORANDUM

DATE: April 29, 2014

TO: The Honorable Ronald B. Leighton, U.S. District Judge

FROM: Andrew J. Lorenzen
 U. S. Probation Officer

SUBJECT: Everett James
 Case Number: 3:07CR5001-RBL-004
REQUEST TO STRIKE HEARING

STATUS:

On February 28, 2014, Mr. James appeared before Your Honor to be sentenced following his violations of supervised release, specifically, consuming alcohol and failing to comply with a curfew on the location monitoring program. As a condition of supervision, the Court directed the defendant to reside at a residential re-entry center (RRC) for up to 120 days. Due to the unavailability of re-entry center beds by the time of the defendants scheduled release on April 21, 2014, this officer requested a hearing to delete the condition requiring Mr. James to reside at an RRC, and add a condition for 120 days of home confinement with location monitoring. Accordingly, the Court scheduled a hearing on May 22, 2014. However, since the time of that request, the probation officer was able to secure a bed for Mr. James at the RRC. Thus, the issue of requiring Mr. James be placed on home confinement is moot and there is no longer a reason to have a hearing. Counsel has been notified of this request to cancel the hearing, and voiced no objections.

RECOMMENDATION:

It is respectfully recommended that the hearing regarding modification of Mr. James' conditions of supervised release scheduled for May 22, 2014, be stricken.

I swear under penalty of perjury that the following is true and correct.
 Executed on this 29th day of April, 2014.
